**Contract Environmental Field Technicians**

Clear Environmental Solutions, the environmental division of Canadian Energy Services, is part of a dynamic and growing based oilfield services entity listed on the TSX under CEU.

As such, Clear Environmental Solutions focuses on the environmental management and disposal of drilling fluids used in oil and gas exploration throughout Western Canada. In doing so we offer a wide range of consulting services aimed to provide our clients with the ability to proactively plan and develop the disposal methods and processes applicable to project based oil and gas development in conjunction with landowners and regulatory agencies. For more information please see our web-site at www.clearenv.com.

We are looking for self motivated, enthusiastic, and well organized individuals to join our team as Contract Environmental Field Technicians.

Responsibilities include, but are not limited to;

- Water / soil sample collection and analysis for proposed new well and existing well site locations.
- Drilling waste disposal sampling and assessments.
- Supervision of disposal operations.
- Comprehensive pre & post site inspections.
- Landowner liaisons.

Qualifications:

- B.Sc in Science and / or applicable environmental fields is preferred. Those with a minimum 2 year technical diploma in an earth/water science, related environmental program, or in the area of Biology/Chemistry may also apply.
- Relevant experience in previous sectors of Oil & Gas Development is an asset.
- Valid safety and general competency certificates – Valid Drivers License, HS Alive, and Standard First Aid are essential.
- Required equipment includes a reliable vehicle (with off road capabilities), a GPS, camera and a laptop computer.
- Must be willing to work away from home.
- Legally eligible to work in Canada.

In return we offer:

- A fast paced, challenging opportunity.
- Top tier compensation packages.
- Job specific training.
- Guidance in the formation of consultant / contractor company.

Canadian Energy Services offers our employees a competitive salary and benefits package commensurate with experience. Please send your resume and cover letter in confidence to: resumes@clearenv.com. We thank all applicants for their interest; however we will only contact those individuals who qualify for an interview.
